DESIGNED AND MADE IN THE USA USING DOMESTIC AND IMPORTED COMPONENTS

The Heritage Theater Bar is a passive LCR sound bar that blends the acoustics and classic, nostalgic design legacy of founder Paul W. Klipsch with the most premium materials and latest technologies available today. Assembled in the USA, the Heritage Theater Bar is the perfect combination of sonic performance and architectural elegance. Its 49.5" standard length is just the right width to match a typical 55" diagonal TV.

FEATURES

FURNITURE GRADE WOOD VENEERS

The Heritage Theater Bar utilizes furniture grade wood veneers and are available in American Walnut and Satin Black Ash.

LOW-PROFILE WALL MOUNTING SYSTEM

The Heritage Theater Bar features a built-in rail mounting system; that when combined with the wall-mount cleat (included), provides a wall-mounting system that is only 1/4" deep. The built-in mounting rail allows the theater bar to be easily be centered with a wall-mounted TV.

STRONG, FLEXIBLE, REMOVABLE GRILLE

Attaches magnetically for an elegant transition from powerful showstopper to discrete performance piece.

90° X 90° TRACTRIX® HORN

Our exclusive Tractrix® Horn technology and titanium tweeters deliver the most impressive high-end response and greater extension, while enhancing imaging and dynamics. This creates the cleanest, most natural sound possible.

LINEAR TRAVEL SUSPENSION (LTS) TWEETERS

A Linear Travel Suspension minimizes distortion for enhanced, detailed performance. LTS tweeters have been a hallmark for Klipsch, making it a core component of some of the best speakers in the world.

SPUN CERAMETALLIC™ WOOFERS

Cerametallic woofers represent the pinnacle of Klipsch driver design, maintaining exceptional rigidity, and lightweight construction, for minimal cone breakup and distortion. When paired with the Tractrix® Horn-loaded LTS tweeter, it provides speaker efficiency highest in its class.
