

5.25" Two-Way All-Weather Loudspeaker

AW-525

The AW-525 all-weather loudspeaker brings clean, clear, dynamic Klipsch quality performances to patios, terraces, balconies, gardens or poolsides. And because it's so efficient, you get much more sound per watt, enabling this full-range model to work well in wide-open spaces.

Featuring a 5.25-inch IMG woofer, 1-inch titanium dome tweeter mated to a square Tractrix® Horn, durable UV-resistant enclosure, non-corrosive grille, easy draining input cup, heavy gauge zinc C-bracket and a 3/8"-16 threaded insert, the AW-525 easily creates the ultimate outdoor sound experience.

Regardless of what Mother Nature throws its way, the AW-525 will continue to deliver big time sound and worry-free performances.

- High sensitivity and power handling
- Paintable UV-resistant ABS enclosure with rustproof aluminum grille
- 3/8"-16 threaded insert for optional mounts
- Supplied with C-style mounting bracket and stainless steel hardware
- 90° x 90° Tractrix Horn tweeter for clean, clear highs
